

## 1979 Vindex 32

Price: \$82,000

Prelude is a very nice example of a factory finished Vindex 32. She has had several worthwhile modifications however still presents with all the charm of Jim Young's vision for these timeless NZ Launches. Current owners of 18yrs are retiring from boating and hope to pass her on to someone that appreciates her as much as they have. 180Hp Ford is entirely under floor and lives in an immaculate engine room. This engine was extensively reconditioned in 2007 and has run approximately 400Hrs since. Performance is sea kindly cruising at 10 – 11knots and wot of 15knots. Loads of storage in the equally immaculate lazarette and throughout, including built in freezer and fridge. Accommodation includes a huge V berth double in the master cabin, another double in the convertible dinette and a single on the other side of the salon. Canvas enclosed flybridge and cockpit offer year-round comfortable cruising. Highly recommended viewing and a pleasure to show you aboard.
