

1998 12.6m Lidgard Regardless

Price: \$130,000

The Lidgard brand is synonymous with quality in the sailing community. The Regardless model has established itself as a reliable choice among sailors who value both performance and comfort. Additionally, John Lidgard's legacy as an innovative designer adds to the yacht's allure, because he was known for his deep understanding of marine design principles. In summary, the Lidgard Regardless sailing yacht distinguishes itself through its robust construction, exceptional sailing performance, comfortable accommodations, and the esteemed legacy of its designer. These attributes make it a compelling choice for both seasoned sailors and those new to the world of sailing. The Regardless is built with a hull made of glass over three-skin Kauri, a material known for its strength and durability, which contributes to the yacht's longevity and performance in various marine conditions. Specifically designed as a passage maker, the Regardless offers excellent offshore sailing capabilities, making it suitable for long-distance cruising and adventure sailing. Mischief Maker has been maintained meticulously and is ready for new adventures on the water.

With its combination of performance, comfort, and robust construction, the Lidgard Regardless is an ideal choice for sailors looking to explore the seas with confidence. Beautiful teak decks (Glued down, NOT SCREWED) make her stand out from others. Contact Mike Parker on +64 275504140 or email mike@parkermarinegroup.co.nz

Description
