

2008 Riviera 51 Open Flybridge

Price: \$960,000 NZD

This Riviera 51 Open Flybridge presents in exceptional condition and when launched in 2008 was awarded "Australian Marine Cruiser of the Year".

Jumbilla is 56 feet overall and is loaded with features.

Powered by Caterpillar C12 715HP turbo diesel engines and is shaft drive - this boat is powerful and easy to handle. The engines have done 1260 hours and have been regularly serviced.

Stepping onto the back deck you notice how good the condition of the teak is.

The swim platform has a fish cutting board as well as BBQ and the rear deck provides lots of room to fish or have a table and deck chairs - the choice is yours. There is lots of storage - dry storage, bait tanks and a live well.

Into the salon and there's a fantastic lounge area with coffee table - perfect to sit back and relax, there's an icemaker, TV and Bose stereo with surround sound. The main dining area has seating for 6 in a c-shaped dinette set up and is spacious. There is a split system AC throughout so everyone will feel relaxed. The galley has a two-burner cooktop, convection and microwave oven, large fridge and freezer, dishwasher, and a recessed sink with mixer.

This Riviera can accommodate six adults in comfort with a main queen berth with skylight, TV and bathroom with shower, toilet, and lots of storage. There's an aft double bedroom that's spacious and well-appointed as well with lots of room and storage. Finally, there's a two-bunk bed set-up that is well designed and could also act as storage for those trips away.

The companionway also has a washing machine/dryer that fits nicely into the cupboard. The carpets throughout are in excellent condition.

Up onto the flybridge there's a spacious lounge area that's great for entertainment. The helm is very well appointed with two comfortable leather helm chairs and everything you'd expect in a Riviera this size. Autopilot, Raymarine plotter and management system, bow and stern thrusters, CAT engine control system and windlass anchor.

This Riviera 51 also comes with a 12 foot tender with a 25HP engine - there's a full crane set-up as well that makes heading off to shore or your favourite beach - a breeze!

In summary, this is a turn-key boat that has been maintained to an exceptional standard. Trade a Boat commented when this boat was launched - "It's difficult to imagine how a designer could draw a better-looking hull" - and how right they are. The boat was Surveyed in November 2021 and is available for prospective buyers.
