

2021 Jeanneau NC 14

Price: \$965,000

The NC 14 is the new flagship to Jeanneau's NC range.

The Jeanneau NC 14 really does live up to its model name – New Concept – as it brings plenty of innovation to the sports cruiser market, with a versatile interior packaged in a stylish hull that can take you wherever you want to go.

Buying a 2021 Jeanneau NC 14 could be a great choice for several reasons:

Luxury and Comfort: The Jeanneau NC 14 is known for its luxurious amenities and comfortable living spaces. It offers ample room for relaxation and entertainment, making it ideal for extended cruising or weekend getaways.

Performance: With twin 370hp engines and a well-designed hull, the NC 14 delivers excellent performance on the water. Whether you're cruising along the coast or exploring inland waterways, you can expect a smooth and enjoyable ride.

Quality Construction: Jeanneau is renowned for its high-quality craftsmanship and attention to detail. The NC 14 is built to the highest standards, ensuring durability and reliability for years to come.

Innovative Features: The NC 14 is equipped with a range of innovative features designed to enhance your boating experience. From advanced navigation systems to state-of-the-art entertainment options, it has everything you need for a comfortable and enjoyable journey.

Resale Value: Investing in a Jeanneau NC 14 could also be a smart financial decision. Jeanneau boats tend to hold their value well over time, so you can expect a good return on your investment if you decide to sell in the future.

Overall, the 2021 Jeanneau NC 14 offers a winning combination of luxury, performance, and quality construction, making it a compelling choice for anyone in the market for a premium motor yacht.
