

1988 Markline 900

Price: \$60,000

Very well maintained, and much loved Markline 900. Cosmetically modernized, but keeping original wood trim throughout Interior. 10k spent on the Sterndrive rebuilding, replacing and upgrading July 2024. Repowered with 230 Hp Volvo 2005, all serviced and over hauled coolers. All interior cushions made new approx 2018 – Still very good condition. Large Freezer works extremely well, also upgraded fridge. Steering was upgraded to power steering. Carpets were also replaced at the same time as cushions. Very large duckboard with Stainless hoop, ideal for supplied Stainless bait board, and/or securing Dinghy. Custom fabricated slewing Dinghy davits (above Cockpit), ideal for long trips or maximizing duckboard space. Garmin Echo map/scan fitted with upgraded through hull Transducer. BBQ works well for those calm evenings in the bay.
