

1979 Alan Wright – Nova 28

Price: \$18,000

Alan Wright Nova 28, **Long Black**, was launched in 1979, fiberglass hull, fin keel and powered by a 17 Hp Lombardini. Long Black has been well cared for and had many upgrades in 2020, including a full professional re-paint of the entire boat, re-wire of the mast and the rigging re-tuned. A composting toilet has been installed- and never used! With 5 berths and the option of dropping the table to make a 6th, Long Black can fit the whole family!

She is a very tidy vessel and priced to sell - will make a great harbour and coastal cruiser, and with fresh antifoul in March- She is ready to go!
