

2008 Noosa 2700 Powercat

Price: \$225,000

All vessels in the Noosa Cat range offer bluewater performance that embraces inherent safety, a soft ride and outstanding stability. Noosa catamarans are easily driven vessels incorporating improvements developed through Noosa Cat's ongoing sea-testing research. The design for all Noosa Cat models is completely redefined. Their top-quality power cats have been crafted with careful attention to detail. Shapes, surfaces and materials meet the highest expectations in terms both of speed and high stability in rough water. Used by maritime rescue and police, they provide performance plus in all aspects of sea going capabilities.
