

1986 Salthouse Corsair MkII

Price: ~~\$275,000~~-\$220,000

Are you ready to experience the thrill of the open water like never before? Introducing the 1986 Salthouse Corsair MkII - a vessel that combines elegance, performance, and reliability in one sleek package. Step aboard and be captivated by the timeless design and impeccable craftsmanship that define the Salthouse brand. The Corsair MkII boasts a classic yet modern aesthetic, with clean lines and a luxurious finish that will turn heads wherever you go.

But this vessel isn't just about looks - it's also about performance. With its powerful 250hp engine and agile hull design, the Corsair MkII offers exhilarating speed and handling, allowing you to navigate choppy waters with ease and precision. Whether you're cruising along the coastline or racing across the open ocean, this boat delivers an unforgettable experience every time you take the helm.

And let's not forget about comfort. The spacious cockpit and plush seating ensure that you and your guests can relax in style, while the state-of-the-art amenities and entertainment systems keep everyone entertained for hours on end. But perhaps the best part of owning a Salthouse Corsair MkII is the peace of mind that comes with knowing you're investing in quality. Salthouse has a long-standing reputation for building durable, seaworthy vessels that stand the test of time, and the Corsair MkII is no exception. With proper care and maintenance, this boat will provide you with years of enjoyment and memories that will last a lifetime. So why wait? Take your boating adventures to the next level with the 1986 Salthouse Corsair MkII. Contact Mike today to schedule a test drive and experience the thrill for yourself.
