

1990 Bayliner 3888

Price: \$199,000

Phase III is a cut above the rest of the Bayliner 3888 fleet. Back in the Sates she had some desirable and expensive under hull modifications. The standard rounded chines have been squared off and subtle lift contour added to the aft planning surface. Extended splash rails have been fitted forward and throw spray away for a dry ride. The result is she has a comfortable and flatter ride angle underway. Arguably she is more fuel efficient and stable at rest too.

Have a watch of her underway video. <https://youtu.be/pi1cmYzcFtA?si=-o4hNfLowjZEor6J>

The current owners have added a hardtop with fully enclosed clears to the fly bridge.

She also sports a bait station on the generous boarding platform and Weaver style davit system for the Takacat Tender. There is a 310watt solar panel to keep the batteries happy and an inverter to run your 240volt requirements in silent ship mode. Two private cabins with queen size doubles have shared access to the bath/shower plus their own separate toilets and vanities. This is well cared for launch that is very comfortable for extended cruises or even as a liveaboard.

Description

Type: Semi displacement Launch

LOA: 12.8m

LWL: 11.5m

Beam: 4.2m

Draft: 1.0m

Berths total: 6 berths (2 x Private double cabins and convertible double in the salon)

Designer: Bayliner / Ed Monk

Builder: Bayliner

Launched: 1990

Mooring included: Marina berth is privately rented and may be transferable by arrangement.

Engines: 2 x 250hp, 6 cylinder Hino, Turbo, After Cooled Diesels, with 1,950Hrs run time.

Cooling: Freshwater heat exchangers

Fuel type: Diesel

Fuel capacity: 1140L

Cruising speed: 13 Knots

Max speed: Est 17 Knots

Transmission: Shaft drive, Dripless seals

Propellers: 2 x 4 blade

Hull material: Fibreglass

Electrics: Westerbeke Diesel generator is not currently operational ~ Owners do not use it as there is a 310Watt solar panel and inverter for 240V needs at sea. 4 x 6V batteries 464AH -12V system EWOFF to April 2026

Entertainment: Stereo

Water capacity: 300L

Water System: 12 Pressure H & C

Accommodation: 6 berths (2 x Private double cabins and convertible double in the salon)

Head: 2 x heads (Recent new toilet in main bathroom) 137L holding tank

Showers: 1 x shower/bath interior and 1 x cockpit shower

Galley: Gas oven with 3 burner hobs, Microwave and rangehood

Fridge: Large 12v fridge/freezer in galley

Communications: 2 x VHF

Navigation and Electronics: Simrad Chartplotter and fishfinder networked suite. 2 x 7" MFD at lower helm 1 x 12" MFD Flybridge

Ground Tackle: Rocna Anchor, 40m x 10mm chain plus warp. Danforth spare with chain and warp.

Anchor winch: Muir Cougar horizontal winch with capstan ~ deck switches, lower helm and wireless remote control.

Chain counter at lower helm

Extras: Antifoul & Prospeed October 2023 ~ Compliant for Northland this season. Recently fitted new clears and hardtop

Tender: Takacat inflatable with sun cover on Weaver type davit system. 3.3 Hp mercury outboard.
