

## 2021 11m Powercat

Price: \$220,000

Way Maker is an 11m Dibley designed Powercat, built by Malcolm Steedman, and Allan Obrien Boat Builders. She was relaunched in 2021 after being converted into a Powercat. She has twin 135hp Honda outboards with only 16 hours running time on them. They are due for their first service shortly. Way Maker is a fantastic fishing platform with a beam of 4.85m and with the outboards placed at her extremities, this makes her incredibly maneuverable. She also has a wonderful trampoline forward, which makes for perfect sunbathing and Dolphin watching. Way Maker is a very special vessel, and she has been built to ensure best design and practicality are fused seamlessly together. If you love Powercats and the room they provide, then you **MUST** view Way Maker. Contact Mike on **0275 504 140** or email [mike@parkermarinegroup.co.nz](mailto:mike@parkermarinegroup.co.nz)

## Vessel Description

LOA: 11m  
LWL: 10.5m  
Beam: 4.85m  
Draft: 0.5m  
Berths: 3 x Single and 1 x Double  
Designer: Dibley  
Builder: Malcolm Steedman and Allan Obrien Boat Builders  
Launched: 2021  
Mooring: Rented and could be transferred to new owner.  
Number of Engines: 2  
Engine type: Outboards  
Make: Honda  
Engine hp: 135hp  
Engine hours: 16. Due for first service shortly  
Fuel: Petrol  
Fuel Capacity: 200l + space for 2 x 25l tote tanks  
Cruising Speed: 12 knots  
Max Speed: 30 knots
