

Salthouse 48

Price: \$200,000

Solan is a Salthouse 48, and she shows the pedigree that Bob Salthouse brought to her design and build. She is an extremely capable Bluewater vessel, and it is believed that she would go into Cat 1 very readily. Built to be incredibly strong in 3 skinned, cold molded kauri, which gives her a hull thickness of 32mm, she really is a go anywhere vessel.
